### PERSONAL CHOICE

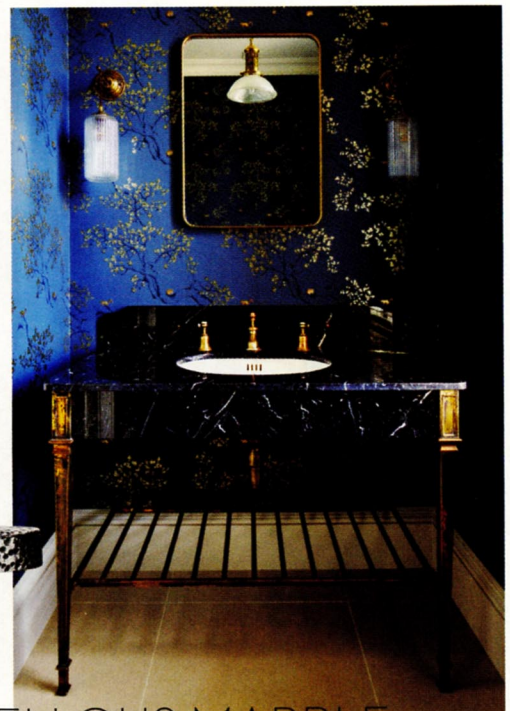

I recently visited the **David Hunt Lighting** factory and showroom in Shipston-on-Stour, Warwickshire. Each piece is made by hand, which allows for customisation of size and finish.

While there, I could not resist ordering two bespoke lamps for my bedroom. They are similar to the 'Sloane', seen here in a pewter finish, which is 48.5 x 11cm diameter and costs £119.40. The ivory silk shade is £55.80. 01295-672200; davidhuntlighting.co.uk

### POTS OF GOLD

Oriental porcelain vases feature on this new 'Poterie' design, from the Flamant Les Mémoires **wallpaper collection** from Arte. Available in the traditional porcelain colours of white and blue (1, pictured front) or earth tones (0), it is 70cm wide and sold in 8.5-metre rolls for £129 a roll. arte-international.com

### MARVELLOUS MARBLE

Drummonds' art deco-inspired '**Single Thames Vanity**' is shown here in antiqued brass and black marble. Also available as a double vanity and in grey or white marble, the single size measures 97 x 110 x 60cm and costs £5,642. The wallpaper is 'Nutcracker' by Juliet Travers, £156 for a 10-metre roll. 020-7376 4499; drummonds-uk.com | juliettravers.com >
